CDC SELECTION POLICY, 2025-2026 (01 October 2025 - 30 September 2026)

- Cycle** : The cycles runs from 01 October 2025 - 30 September 2026
- Number of tournaments**: Six (6) tournaments must be played in all. Of these six (6) tournaments, at least **two (2)** must be **Open Tournaments THAT COUNT**. This means that a junior player must play **four (4) junior qualifying tournaments, BUT** if a junior player has **three (3) junior qualifying tournaments + three (3) Open Tournaments THAT COUNT (i.e. 6 Tournaments!)**, will meet the selection criteria. **One of the two open tournaments MUST** be played in Capricorn District!!
- An **Open Tournament THAT COUNT**: This is an open tournament that meets the following **minimum AVERAGE RATING** of the top 10/Top 15 seeded player as **1200** (for U08-U12) and/or **1400** (for U14-U20). **Top 10 average** applies if the tournament field (number of players playing) is **less than 40**, and **Top 15 average** applies when the field is **40 and more!**
- Junior Selection Tournaments from other Districts/provinces**: No Junior Selection Tournaments from other Districts/provinces will be used by Capricorn District Chess (CDC) in the Capricorn District Rankings. **ONLY** Junior Selection tournaments organised and run by CDC in Capricorn District jurisdiction will be used!
- Open Tournaments that will be recognised by CDC for Selection: Since Open tournaments are increasing in Capricorn District since 2024, not all Open Tournaments will be recognised by CDC. The following will be recognised:
 - 5.1) National Tournaments (organised or Sanctioned by Chess South Africa) such as SA Open, SA Junior National Tournament (MIYCC), SAJCCC, Moja Extravaganza, SA Closed
 - 5.2) Provincial Tournaments (Organised or Sanctioned by Chess Limpopo) such as Limpopo Open, Polokwane Open, Women's Day Open, Heritage Day Open, Limpopo Closed
 - 5.3) Inter-Regional Tournaments sanctioned by Chess South Africa or at least two provinces (provincial Executives)
 - 5.4) Any other open tournament, which is not category 5.1 or 5.2 or 5.3 above, played outside Capricorn - CDC will decide if the tournament should be used for CDC Selection. If CDC accepts the tournament, the tournament **MUST** meet the **minimum average** requirements
 - 5.5) Any other open tournament, which is not category 5.1 or 5.2 or 5.3 above, played **INSIDE** Capricorn - must first be **accredited** by CDC. If CDC accepts the tournament, the tournament **MUST** meet the **minimum average** requirements

Joe Mahomole : President - Capricorn District Chess
